GENERAL PURPOSE AND REQUIREMENTS FOR THE OPENING OF A TRUST/ESCROW ACCOUNT

The Department of Fire, Building and Life Safety is a regulatory agency for the State of Arizona. Licensed dealers of mobile homes, manufactured homes and residential factory-built buildings are required to have a trust account with an Arizona financial institution or earnest monies must be deposited with an Arizona escrow company or Arizona title company, pursuant to Arizona Revised Statutes, Section 41-2180.A.

The purpose of the account is to hold consumer funds, in relation to the purchase of mobile homes, manufactured homes and residential factory-built buildings, until the sale has been completed and consummation has taken place, in accordance with the Statutes and Rules of the Department. The purpose of designating the account, that has been opened with an Arizona financial institution, as a trust account or statutory trust account is to denote that the funds in this account do not belong to the licensee but, in fact, to consumers who have paid funds to the licensee for the purchase of mobile homes, manufactured homes and residential factory-built buildings which have not been completed. These funds are not to be considered an asset of the licensee.

The **signature card or account application** for a trust account with an Arizona financial institution must contain the following:

- 1) The word(s) "Trust Account", "Statutory Fiduciary", "Custodial Fiduciary" or "Statutory Trust Account" must appear on the signature card. (Note: Some financial institutions, such as Wells Fargo, do not use a signature card. In these cases we will accept a copy of the approved account application form in place of a signature card.)
- 2) The account must be titled in the licensed business name, as stated on the application for license with the Department.

An **escrow/title company** can be used along with or instead of using an account as described above. If an escrow/title company is used, you will not be required to submit a copy of a signature card, as there will not be a signature card, but you are still required to submit the Trust or Escrow Account and Authorization for Release of Information form (Authorization form).

The **Trust or Escrow Account and Authorization for Release of Information** form (Authorization form) should be filled out as follows:

- 1) Check either the box indicating that the account is a Trust Account or an Escrow Account. If you are using an escrow/title company instead of a bank/credit union, check the box for Escrow Account.
- 2) Account No. – Fill in the account number if opened at a bank/credit union or, if using an escrow/title company print the word "various", which indicates that a separate escrow number will be assigned to each customer by the escrow/title company.
- 3) Bank/Institution – Name of bank/credit union or escrow/title company
- 4) Address – Address of bank/credit union or escrow/title company
- 5) Signatory on Account – Signature of the Licensee authorized to sign on the account
- 6) Licensee – The business name as listed on the application for license with the Department
- 7) Copy sent to Financial Institution – You are responsible for giving a copy of this form to the bank/credit union or escrow/title company

Please note you must provide the Department with an **original signature** on the Trust or Escrow Account and Authorization for Release of Information form and the signature must be notarized.

Applicant born in the Canal Zone or the Republic of Panama:

- A birth certificate showing birth in the Canal Zone on or after February 26, 1904 and before October 1, 1979 and evidence that one parent was a U.S. citizen at the time of the applicant's birth; or
- A birth certificate showing birth in the Republic of Panama on or after February 26, 1904 and before October 1, 1979 and evidence that at least one parent was a U.S. citizen and employed by the U.S. government or the Panama Railroad Company or its successor in title.

In all other situations in which an applicant claims to have a U.S. citizen parent and an alien parent, or claims to fall within one of the above categories, but is unable to present the listed documentation:

- If the applicant is in the U.S., the applicant should contact the local U.S. Citizenship and Immigration Service office for determination of U.S. citizenship;
- If the applicant is outside the U.S., the applicant should contact the State Department for a U.S. citizenship determination.

e. Adoption of Foreign-Born Child by U.S. Citizen

- If the birth certificate shows a foreign place of birth and the applicant cannot be determined to be a naturalized citizen under any of the above criteria, obtain other evidence of U.S. citizenship;
- Because foreign-born adopted children do not automatically acquire U.S. citizenship by virtue of adoption by U.S. citizens, the applicant should contact the local U.S. Citizenship and Immigration Service office for a determination of U.S. citizenship, if the applicant provides no evidence of U.S. citizenship.

f. U.S. Citizenship By Marriage

A woman acquired U.S. citizenship through marriage to a U.S. citizen before September 22, 1922. Provide evidence of U.S. citizenship of the husband, and evidence showing the marriage occurred before September 22, 1922.

Note: If the husband was an alien at the time of the marriage, and became naturalized before September 22, 1922, the wife also acquired naturalized citizenship. If the marriage terminated, the wife maintained her U.S. citizenship if she was residing in the U.S. at that time and continued to reside in the U.S.
